- a. once something is online, it can't get off
- b. You can find anyone's personal info
- c. anyone could find you at any moment
- d. Some apps track where you go
- e. the smallest detail could be a big mistake
- f. Your info could leak someone else's info

2. What career path(s) did the presenter take to reach their career?

College professor

3. What career advice did the speaker share with you?

Think before you post

4. List one fact or note from this presentation that you might share with someone else.

Make sure whatever you post doesn't leak any personal information

5. Write a question that you might ask the speaker.

What's the best way to stay secure

6. What did you enjoy most about the presentation or talk?

He joked that he got everyone's info for the presentation

7. Would you consider the speaker's occupation for yourself - why or why not?

No, I don't think social media security is very interesting for me, since I don't really use many websites.

If your Guest can comment on Entrepreneurship and Business Planning (CEW 13.4.11), please answer the questions below:

"What are some pros and cons to being an entrepreneur?"

"What specific personal traits should an entrepreneur possess to start and/or run a business?"

"What are some key aspects necessary for a successful business plan?"
